Mr. Jim Crawford
Crawford Construction Company
1189 Hoblitt Ave.
Clovis CA 93612

Dear Mr. Crawford,

I would like to commend Crawford Construction for their outstanding performance on the GAP PDC project. You and your field staff have met or exceeded all of my expectations with your detailed attention to schedule, safety, and quality of work. Everyone with Crawford Construction has gone out of their way to ensure that they can name GAP and Gray as satisfied customers. I would like to personally thank Crawford and its entire staff for the cooperation and team spirit that has been put forth to ensure that this project is a success for all those involved.

I look forward to working with Crawford in the future with the hope that another project is equally successful.

Sincerely,

A handwritten signature in cursive script that reads "David D. Dennison".
